- (a) Annual general assessments or charges, and
- (b) Special assessments for capital improvement and/or emergency repair.

Such annual maintenance assessments shall be assessed for and shall cover the fiscal year from March 1 to February 28 (or February 29 in case of a leap year) of each year. Each Member shall pay to the Association, at such place as shall be designated by the Association, in advance, the annual assessment amount assessed against the Members as fixed by the Board of Directors of the Association and as described in Section 3 hereof. Such payment shall be used by the [Begin O.R. 396, page 714] Association to create and continue maintenance funds to be used as hereinafter provided. Such annual maintenance assessment shall become delinquent if not paid by March 31 of the fiscal year for which assessed and shall bear interest at the rate of 8% per annum from said date until paid. The annual maintenance assessment may be adjusted from year to year by the Board of Directors of the Association in accordance with Section 3 hereof to meet the expenses and other charges for which the same are assessed as provided hereinafter. Anything herein to the contrary notwithstanding, the Association shall have the right to collect the annual maintenance assessment on a monthly basis, in which event each monthly installment shall be due and payable in advance on or before the 10th day of each month and shall become delinquent if not paid by such time and shall bear interest at the rate of 8% per annum thereafter until paid.

Section 2. Lien for Assessments.

Each annual maintenance assessment and interest thereon as provided in Section 1 hereof, shall constitute a debt from the Members owning property against or with respect to which the same shall be assessed, and shall be secured by a lien upon any Property owned by Resident Members and all improvements thereon. Said lien shall attach to the lot and/or condominium parcel and the improvements located thereon upon delivery of a deed to such Property from the Developer to a Resident Member and thereafter on March 1 of the year for which such annual maintenance assessment shall be assessed, said date being the attachment date of each such annual lien, whether the annual maintenance assessment is paid in one or monthly installments. The enforcement of such lien shall be by foreclosure or by any other proceeding in equity or at law and the Association shall be entitled to recover in such proceedings all costs, including reasonable attorney's fees, incurred in and about such proceedings and all such costs shall be secured by such lien. Each such [Begin O.R. 396, page 715] annual lien shall be subordinate and inferior to the lien of any first mortgage encumbering the Property owned by any Resident Member. Upon request, the Association shall furnish any owner or mortgagee a certificate showing the in the year or years for which any such unpaid maintenance assessments were assessed and fixed.

Section 3. Basis for assessment.

(a) The following categories of land located within the Sawgrass General Plan of Development shall pay an annual assessment amount which shall be established by the Board of Directors in accordance with the following schedule:

	<u>Minimum Regular Annual Assessment</u>	<u>Maximum Regular Annual Assessment</u>
(i) Residential Acreage	\$10.00/acre	\$175.00/acre
(ii) Commercial Property		
(1) Commercial Improvements	\$.10/sq.ft of enclosed heated & air conditioned space	\$.25/sq. ft. enclosed heated & air conditioned space
(2) Outdoor Recreational Facilities (golf course, tennis courts)	1% of revenue from hourly, daily or weekly greens and court fees (speci- fically excluding any annual members or initiation fees) from prior fiscal year	2% of revenues from hourly, daily or weekly greens and court fees (specifically excluding any annual members dues or initia- or initiation fees) from prior fiscal year

(b) Notwithstanding anything herein contained to the contrary, the annual assessment amount established for Commercial Property and Residential Acreage shall cease at the time the Charter Members no longer have the right to appoint a majority of the Board of Directors of the Association and thereafter owners of Commercial Property and Residential Acreage shall cease to pay any annual assessment amount or annual general assessments or special assessments any portion of the annual budget for and on account of such Commercial Property and Residential Acreage.

[Begin O.R. 396, page 716]

(c) From and after January 1, 1979, the maximum and minimum annual assessments may be increased each year by the Board of Directors of the Association by an amount not in excess of five (5%) percent per year or the percentage increase between the first month and the last month of an annual assessment period in the consumer price index, U.S. City Average, all items (1967 = 100) hereinafter ("C.P.I.") issued by the U.S. Bureau of Labor Statistics in its monthly report entitled the "Consumer Price Index", U.S. City Average and selected areas", whichever of these two percentage figures is larger, unless three fourths (3/4) of the Member votes cast in a duly called meeting of the Association vote against such an increase or vote to decrease the maximum and minimum assessment. In the event that the C.P.I. referred to above shall be discontinued, then there shall be used the most similar index published by the United States Government that may be procured indicating changes in the cost of living.

(d) Residential Dwelling Units and Residential Unimproved Lots located within the Property shall be assessed a proportion of the annual budget of the Association, as described in Article V, Section 8 hereof, reduced by the annual Residential Acreage and Commercial Property annual assessment amount, if any. The annual budget as reduced shall be defined as the Dwelling and Lot Share and the proportionate annual assessment amount to be paid by Residential Dwelling Units and Residential Unimproved Lots located within the Property shall be calculated in accordance with the following formula.

$$\frac{\text{Dwelling and Lot Share}}{(2 \times \text{total number of Residential Dwelling Units}) + (\text{total number of Unimproved Lots})} = \text{Residential Unimproved Lot Share}$$

(i) Residential Unimproved Lots located within the Property shall pay an annual assessment amount equal to one (1) x the Residential Unimproved Lot Share.

[Begin O.R. 396, page 717]

(ii) Residential Dwelling Units located within the Property shall pay an annual assessment equal to two (2) x the Residential Unimproved Lot Share.

(iii) For purposes of calculating annual assessment amounts Residential Dwelling Units and Residential Unimproved Lots subject to the Sawgrass Declaration of Covenants re: Assessments shall be included within the formula described above, however, Developer does not guaranty or insure that Residential Dwelling Units and Residential Unimproved Lots subject to the Sawgrass Declaration of Covenants re: Assessments shall pay the same annual assessment amount as Residential Dwelling Units and Residential Unimproved Lots located within the Property.

(e) Any accrued assessment income at the end of the fiscal year shall be applied to reduce the annual assessments for the next fiscal year, as follows:

(i) One third (1/3) of any such accrued assessment income shall be applied to reduce the annual assessment amount for Residential Acreage and Commercial Property.

(ii) Two thirds (2/3) of any such accrued assessment income shall be applied to reduce the annual assessment amount for Residential Dwelling Units and Residential Unimproved Lots. However, the Board of Directors may, at their discretion, apply all or any part of these funds towards the establishment or maintenance of a reserve fund for repairs, replacements or capital improvements.

(f) Notwithstanding any of the provisions of this Article, in no event shall the assessments and other revenues collected by the Association exceed its expenses and reasonable reserves to an extent which would violate its non-profit character.

Section 4. Method of assessment.

(a) By a vote of a majority of the Board of Directors of the Association, the Board shall fix the annual assessment [Begin O.R. 396, page 718] in accordance with the formula described above and in accordance with the minimum and maximum assessment amount as stated above. For purposes of computing the annual assessment amounts for the next fiscal year in accordance with the formula as described above, the Board shall use the amounts of Residential Acreage, Commercial Property, Residential Dwelling Units and Residential Unimproved Lots in existence as of February 28, prior to the commencement of each fiscal year.

(b) The Board shall have total discretion as to the use of the minimum or maximum level of assessment for Residential Acreage and Commercial Property. The assessment of either of the above at the maximum level shall not prohibit the assessment of the other at the minimum level and the use of the minimum or maximum assessment level for Residential Acreage or Commercial Property for any year shall in no way bind the Board as to the level of assessment to be applied in any future years.

(c) Notwithstanding anything contained herein to the contrary, upon conversion of any Residential Acreage to a Residential Dwelling Unit or Residential Unimproved Lot or conversion of a Residential Unim-

proved Lot to a Residential Dwelling Unit, the Property so converted shall commence payment of the annual assessment amount for such new category on the date of such conversion, which shall be prorated for any partial payment period.
